Thanks Bev

My dad referred me to you as they bought one and are enjoying it. He is going to pay for one for me so I have forwarded this info to him and he will hopefully be in contact with you soon.

Many thanks

Tracy

Good day. My husband bought me one of the Crazy Fit Machines which I use regularly.

I must say I am very impressed so far. I have been using the machine for about two weeks now (3 x a day) and I can again fit into a dress that has been too small for me for the last year, so I'm definitely losing cm's.

I could not understand/follow the instructions in the book to program my age, weight and height into the machine in order to get a personalized workout. Can you perhaps provide a better/more understandable guide?

Thank you for your assistance.

Regards

Carrol-Lynne

Hi Carol-Lynne,

I am glad to hear you are achieving good results from your machine.

I have put together a step for step guide on how to work the "BMI calculator" for my customers (attached), this will make it a bit easier to work out your BMI !!

Hope the attached is of help.

Regards,

Hi Bev

My name is Heather and my husband gave me one of your lovely Crazy Fit Machines for Christmas. We are all loving it (the kids and I.....hubby has not braved it yet!)

Many thanks for your help and for my lovely machine!!

Cheers

Heather

Morning Bev,

I just want to give you a heads up.

I will be ordering a second machine later this morning. This one is for my sister.

The order form and proof of payment will be sent through after nine. She will be doing a direct deposit into your ABSA account.

Kind Regards

Eugene Gibhard
